

THE FOREST FEDERATION

School Uniform

Our policy is that all children should wear clothing that is in keeping with a purposeful learning ethos. Our policy is based on the belief that a school uniform:

- promotes a sense of pride in our school
- engenders a feeling of belonging
- is practical and distinctive
- identifies the children with the school
- is not distracting in class (as fashion clothing might be)
- makes children feel equal to one another in terms of appearance
- reflects the sense both of community and of diversity that our schools take pride in

Our uniform policy offers a choice and is a flexible dress code enabling pupils the choice of approved items of uniform; which will not be discriminatory on the basis of gender reassignment. Gender-neutral pupils can make choices of clothes to wear and transgender pupils have the right to dress in a manner consistent with their gender identity.

Hair

Boys and girls hair which is below the collar line must be tied back at all times. It is to be of an appropriate colour and style. Hair bands and scrunchies should be either white, black, grey or red at All Saints and bottle green at Needwood.

Jewellery and Headwear

On health and safety grounds, we do not allow children to wear jewellery to school (except for small studs and watches). We do not allow headwear to be worn during class time or inside school buildings, except for religious or medical reasons. Summer hats are to be plain black, grey, white or school colour (no logos) or children are able to wear straw boaters with an appropriate colour band. All jewellery must be removed (by pupils themselves, excluding where a clear case for religious or cultural reasons is made) for PE including earrings, the external rules change regularly and are dependent on event regarding placing tape over earrings for PE and we will outline the current rules as available.

Make up, Nail varnish and temporary tattoos

Children are not permitted to wear makeup, nail varnish and nail extensions or temporary tattoos.

All clothing should be clearly labelled with your child's name. This is especially important, as uniform items look similar and can easily be confused for another child's. Our schools cannot accept responsibility for any lost items.

Uniform Providers

Uniform and accessories with the school logo can be ordered from the following providers at competitive prices **however**, please remember that logoed uniform is not compulsory and correctly coloured uniform is the expectation.

Non Compliance

Opportunities to rectify uniform (for example, in the event of ill-fitting shoes) will be provided, however teachers can discipline pupils for breaching the school's rules on appearance or uniform if flouted.

Equalities

All children have equal access to wearing school uniform regardless of their culture, race, religion, gender, disability or ability. Additionally, our uniform policy offers a choice and is a flexible dress code enabling pupils the choice of approved items of uniform; which will not be discriminatory on the basis of gender reassignment. Gender-neutral pupils can make choices of clothes to wear and transgender pupils have the right to dress in a manner consistent with their gender. We ensure that the set uniform respects other policies such as Equalities and allows for individual sets of circumstances of all groups and individuals. The School Admissions Code 2012, which is statutory guidance, states "*Admission authorities must ensure that [...] policies around school uniform or school trips do not discourage parents from applying for a place for their child.*" No school uniform should be so expensive as to leave pupils or their families feeling unable to apply to, or attend, a school of their choice, due to the cost of the uniform. The Forest Federation gives high priority to cost considerations and indeed offers the opportunity for families to buy a sweatshirt, jumper or cardigan with the school logo on through our school from our providers which are competitively priced or, have outlined that any correctly coloured uniform can be worn and logoed uniform does not have to be worn.

Governors will consider reasonable requests for flexibility in the uniform policy for an individual pupil to accommodate particular social and cultural circumstances. The Forest Federation is committed to creating a positive climate that will enable everyone to work free from racial intimidation and harassment and to achieve their full potential
