

## THE FOREST FAMILY

### Charging and Remissions

#### Introduction

All education during school hours is free. We do not charge for any activity undertaken as part of the National Curriculum with the exception of individual or group music tuition, extra curricula French, Karate and football lessons.

#### School Activities

The governors wish to ensure that all pupils have access to all areas of the life of the school, regardless of the parents' ability to pay.

In the event of activities organised by the school during school hours involving a direct cost to the school, voluntary contributions are sought from the parents to cover the cost of these activities. No child is excluded from participating in the activities because of non-payment of the contribution, but it is usually necessary for a substantial number of parents to contribute before the activity can go ahead.

In the case of activities partly during the school day, and partly out of school hours, charges will be made for the time outside school hours, and for board and lodging on a residential school journey.

The Headteacher and governors will consider sympathetically cases of genuine financial need and remit charges where appropriate.

#### Voluntary contributions

When organising school trips, visits or visitors which enrich the curriculum and educational experience of the children, the school invites parents to contribute to the cost of the trip. School trips are non-profit making. All contributions are voluntary. If we do not receive sufficient voluntary contributions, we may cancel a trip. If a trip goes ahead, it may include children whose parents have not paid any contribution. We do not treat these children differently from any others.

If a parent wishes their child to take part in a school trip or event, but is unwilling or unable to make a voluntary contribution, we do allow the child to participate fully in the trip or activity. Sometimes the school pays additional costs in order to support the visit; this may use pupil premium funds. Parents have a right to know how each trip is funded. The school provides this information on request.

The following is a list of additional activities organised by the school, which require voluntary contributions from parents. These activities are known as 'optional extras'. This list is not exhaustive:

- visits to museums;
- sporting activities which require transport expenses;
- outdoor adventure activities;
- visits to the theatre;
- musical events.

#### Residential visits

The school organises residential visits in school time or mainly in school time, we do make a charge to cover the costs of travel, board and lodging. Parents who receive free pupil premium are exempt from payment.

#### Music tuition

All children study music as part of the normal school curriculum. We do not charge for this. There is a charge for individual or group music tuition if this is not part of the National Curriculum. The peripatetic music teachers teach extra curricula individual or small group lessons. A charge is made for these lessons. We give parents information about additional music tuition at the start of each academic year. The Governors seek, by charging fees to those with parental responsibility, to recoup no more than the actual charge upon the school budget of instrument tuition. We offer the opportunity for pupil premium pupils to receive music tuition. The Governors cannot guarantee to offer music tuition to all claimants since there may be limitation of resources and teachers.

#### Swimming

The school organises swimming lessons for all children in Key Stage 2 (and year 2 at Needwood). These take place in school time and are part of the National Curriculum. We make no charge for this activity. We inform parents when these lessons are to take place.

#### Clubs

The school offers additional clubs / coaching at certain times of the year. There is a charge for these sessions if an external company is bought in.
