W/C	SCHOOL CLUBS

What an amazing start to term! You should be so proud of your children as they are all settled beautifully. We hope you liked the photos on Dojo and Twitter. Staff were so excited to see them and their rooms and learning have been brilliantly prepared – everyone seems really happy. We thank our families for doing such a good job for drop off and pick up procedures and it's a shame it was so wet on day one!

Please remember that, going forward, we will be sending blogs with photos on Twitter and Dojo will purely be for communication between us. Additionally, birthdays will be celebrated in worship. Each week we will send the zoom link on Dojo so you can join us should you choose. We will have The Forest Family together and it will be a 2.30pm.

We attach an A-Z reminders sheet which is updated for Covid-19 plans (in red). Please note the final details for you regarding key changes to lunch, PE kits and homework.

We so look forward to our first full week next week and hope you have a lovely weekend. Mrs C Gethin and Ralph.

TOOLKITS

This is just a little clarification around the mental health tool kits. At this time, more than any other, we need to support our children with their return to school and their mental health. Whilst we have asked for nothing to be brought into school with the children other than lunchboxes and water bottles, as the tool kits have now been built up and will be readily used we feel that the contents from you will be incredibly pertinent. We therefore ask for the originally planned items, family photographs, affirmations, and a little letter from home telling your child how loved they are, any good in jokes, family wisdom etc. which will help them if they feel sad. Examples were in the original letter and newsletter, please shout if you need help. Please don't rush around doing it this evening if you haven't done it already, we can collect them over the next week or so. They also can be changed at your discretion over time. I hope that helps with any worries that you have. The contents will go into their own folder and will only be handled by them.

WELLBEING

Leaflets wellbeing

We have managed to Dojo many resources over lockdown and the summer re wellbeing. Attached is a leaflet which you might find useful from our EP service who have been working very hard behind the scenes. We are endeavouring to update our website with all of the resources for your use.

Children's wellbeing surveys were well received and Ralph and I responded to them yesterday in our whole Forest Family Worship! The results are attached should you wish to view the flavour. Children were mostly concerned with not seeing friends in other bubbles and how to socially distance effectively. We are so proud of our children for using their voices to express their joys and worries and we will continue to listen carefully and support them in this. Additionally, if you have any further questions please don't hesitate to ask!

EMAILS

Our emails have migrated during the summer holidays and we are having a few problems receiving and sending external emails—if we have not responded to anything you have sent recently please do let us know. If it is anything urgent please give the office a call to check.

PE KITS AND PE DAYS

As you will have read from previous correspondence the children can come to school in their PE kits on their PE days. Please choose their shorts and t-shirt or tracksuit as appropriate to the weather. They may wear their PE trainers on these days.

The children's PE days are as follows:

Class 1 – Tuesday and Thursday

Class 2 – Monday and Friday

Class 3 – Tuesday and Thursday

HOMEWORK

Homework information is included in the A-Z attached. The days of set and collection are:

Class 1 Monday*

Class 2 Wednesday*

Class 3 Friday

*please note year 2 Maths homework will be Friday

DOJO

Please can all parents check their emails for invites to class dojo, this is for the parents of children who are new to school and those who have moved classes.

SCHOOL FRUIT AND VEGETABLE SCHEME

Today, the Government has confirmed that the school fruit and vegetable scheme, which was paused during the coronavirus (COVID-19) outbreak, will resume as normal in autumn when all children return to school. This scheme provides daily fresh produce for pupils in key stage 1 and helps every child have a healthy, happy start to life.

CHARTWELLS

Below are the links to items Chartwells (our kitchen supplier) have put together over the summer to help with the way back to school and ideas for the children.
