

The Forest Family - Needwood Church of England Primary School and All Saints Church of England Primary School Sports Premium Strategy / self-evaluation Form 2020/2021

We have used the reporting format 'Evidencing the Impact of Primary PE and Sports Premium template' commissioned by the DFE provided by the youth sports trust in order to update our sports premium reporting for 2020/2021.

We use our funding to make additional and sustainable improvements to the quality of Physical Education, Sport and Physical Activity (PESPA) we offer in order to develop and add to the PESPA activities that we already offer and to build our capacity and capability to ensure that improvements made now will benefit children joining our schools in future years.

We have used the 5 key indicators across which schools should demonstrate and report on our funding spends and the improvement/impact it has on our children's, PE and sport participation and attainment

- The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- The profile of PE and sport is raised across the school as a tool for whole-school improvement
- Increased confidence, knowledge and skills of all staff in teaching PE and sport
- Broader experience of a range of sports and activities offered to all pupils
- Increased participation in competitive sport

We have altered our 19/20 and updated with 20/21 in the light of COVID and plans which could not come to fruition as well as altered plans to support the PE and PA for bubbles.

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ol style="list-style-type: none"> 1. Active mark silver standard. 2. Investment in improving active spaces. (All Saints, additional grassed area and Needwood improved large play space). 3. Investment in high quality equipment - Greatly enhanced P.E equipment stock providing high quality equipment across an increasing range of sports to facilitate more participation within P.E sessions 4. Number of children taking part in after school / additional sporting opportunities has increased and we have had further success and reputation in competitive sports. 5. Knowledge of attendance and engagement in other sporting teams and clubs has increased. 6. Increased success and reputation in competitive sports. 7. Improved playtime resources chosen by the children that facilitate more active play at morning playtimes and during lunchtime 8. Quality CPD for all staff including forest school qualification, whole school commando Joe training, fundamental skill training etc. 9. Increased percentage of children partaking in inter and intra sports competitions through the Dove Valley, Blessed Robert Sutton Partnership, links with JTMAT schools and local High School PE offer. 	<ol style="list-style-type: none"> 1. Support staff in the delivery of 100% of their PE sessions as well as daily activity. 2. Collect further data on extra-curricular club attendance to identify patterns with the disengaged children and provide opportunities that will engage and inspire 3. Carry out whole staff questionnaire to understand further need and target CPD – considering post CPVID 4. Ensure we continue to provide a safe environment for PE during the Covid 19 pandemic and introduce further sporting and competitive activities when appropriate. 5. To introduce competitive sport and inter school competition when it is safe to do so. 6. To introduce afterschool clubs and outside coaches back into school when safe to do so. 7. Do develop appropriate space for physical activity to support large bubbles and future PA.

<p>10. Infant multi skills day led by the Forest Family (in addition to mulita skill with local schools at high school).</p> <p>11. Continued with PE provision during lockdown to include a virtual sports day.</p> <p>12. Links with other subjects that contribute to pupils' overall achievement and their greater social, spiritual, moral and cultural skills.</p> <p>13. Secured links with St George's park for wider understanding or sport such as being ball children for international events.</p> <p>14. 2 hours of curriculum delivery for all classes plus wider experiences e.g jump start Johnny and other 'active' opportunities, golden mile, outdoor fitness sessions, etc.</p> <p>15. Active lunchtimes.</p> <p>16. Significant priority put on mental health and wellbeing linked to mental and physical mindfulness.</p> <p>17. Achieved Optimus national Wellbeing Award.</p>
