THIS WEEK IN FOCUS

Apart from making Christmas cards for the PTA which the children thoroughly enjoyed (we are very grateful to the PTA for organising this), our curriculum this week has been 'normal.' Staff and children have now 'got their teeth' into it and we feel everyone has settled well. We have now assessed where all the children are and have plans in place to support their learning effectively, it's been a really positive week.

I'm sure we aren't particularly vain but on Monday you may want your child to be extra specially spruced up. We are filming a promotional video for our Open Day as we are unable to open our doors to prospective parents. We are really excited about this and hope for a bright, sunny day too.

We also look forward to our Teams parent consultation evenings and we hope you find them positive and useful. Some information has been provided later in this newsletter to help you get on promptly.

Have a lovely weekend and we will see you next week!

Mrs Gethin

Life is full of beauty. Notice it. Notice the bumble bee, the small child, and the smiling faces. Smell the rain, and feel the wind. Live your life to the fullest potential, and fight for your dreams.

THIS WEEK IN FOCUS

Reading is so important to us and we are a vibrant, reading for pleasure school. Ralph just wanted to share with you how the local community are also supporting a love of reading with the book swap telephone box! You too can use it - although you may want to quarantine the book that you borrow for now!

We are again grateful to our families for their donations for the YMCA as part of our harvest and also to the YMCA for collecting it all because there was so much!

WE ARE LOOKING FORWARD TO -
