Noah for continuing to develop his interest and motivation to read. You are beginning to read with fluency, showing an excellent understanding of what you have read.

Livvy for her super work on 'Time' (o'clock) in maths this week. You concentrated really well and have shown us you now fully understand this. Well done!

Ethan for putting lots of energy into trying something new in our cricket session. He built his confidence and ended up being one of our best catchers this week! He's been a wonderful role model by showing others what can be achieved if you don't let fear stop you trying. Well done Ethan! *Zack* for his enthusiastic and kind approach to playing cricket in our PE and lunch time cricket sessions. He worked hard to improve his own skills whilst adapting his techniques and communicating respectfully to his team mates to support them too. A great sportsman! Well done Zack!

Jessica for a fantastic start to your final primary school term. You show us every week just how much you have grown: as a learner with your contribution to every lesson; as a sportswoman showing confidence in cricket and rounders (and even helping to coach others in class) and as a kind and helpful member of the class with considered opinions and a caring nature. We will miss you so much.

*She opens her mouth
with wisdom, and the
teaching of kindness is
on her tongue.*

*It's about how we
conduct ourselves on
and off the pitch, how
we bring people
together, how we
inspire and unite, how
we create memories
that last beyond the 90
minutes. That last
beyond the summer.
That last forever."*

THIS WEEK IN FOCUS

As we close our week with Football Friday ready for the kick off of the Euros, we reflect on Gareth Southgate's letter in which many important issues are raised from caring and upholding the Nation's values, role models to equality, inclusivity, racial injustice and social media bullying. [Dear England by Gareth Southgate | The Players' Tribune \(theplayerstribune.com\)](https://www.theplayerstribune.com) Have a read if you can. Anyway!

Children have enjoyed their 'Euros' launch week which kicked off with a wonderful worship and led into lots of excellent curriculum activities from geography to maths. 'Football Shirt Friday' culminated this week although we will continue to follow the tournament and cheer on our sweepstake teams. .

THIS WEEK IN FOCUS (Continued)

Some of our Y6 children have enjoyed meeting staff from their new high schools and have continued their smart moves project as part of their transition preparation.

As promised, I said I'd share our deforestation day work held on the final day of term. Deforestation day saw some very important work towards developing our children's understanding of the importance of protecting our world and the rainforests – such as these posters for not using palm oil. This continues our wonderful work towards being global citizens, our international award and our British Council Work with Uganda.

Ralph has had another well needed bath at Needwood and has had a great week.

Next week we look forward to our Father's day celebrations, the start of a large number of visits including two Whitmore Lakes trips next week!

Have a good weekend and stay sun safe.

Mrs Gethin and Ralph.

NEXT WEEK'S LUNCH MENU

Next week's menu will be:-

Monday	Pizza
Tuesday	Mac N Cheese
Wednesday	Roast Chicken
Thursday	Beef Lasagne
Friday	Fish Fingers

28 Notice how positive emotions are contagious between people	29 Share a friendly smile with people you see today	30 Make a list of the joys in your life (and keep adding to it)				

ACTION FOR HAPPINESS

Happier · Kinder · Together

This last term is a busy one and we hope to make it as fun as possible before we all break up for the summer holidays.

Fathers Day - 18th June - £5

For Father's Day (or anyone else that you know loves pizza) we are doing boxes with all the required ingredients (for 2 people) and instructions for you to make your own at home. Children will be given templates to decorate their boxes beforehand with Mrs Jones. These can be purchased for £5 via ParentPay and then collected at the school gates on Friday 18th June, the **deadline for orders is Tuesday 15th June**. You can email your photos of your finished pizza to the office if you like.

Dress Down Day - 25th June - £1

Take the opportunity to wear non uniform for the day at school.

Sports Day / Summer Extravaganza- 9th July - £5

Sadly due to new Government Guidelines in relation to schools we have had to change our plans yet again for the summer fayre. Unfortunately we are unable to hold our usual bbq, stalls etc and instead have to remain within class bubbles and no parents. This will run similar to the Christmas Fayre where each class did its own tables with the addition of a fun morning activity tbc for all pupils. We are requesting £5 to be paid via ParentPay as soon as possible which will include : a fun morning activity, a go on the lucky dip, a go on the adopt a teddy and an ice-cream.

Winners of last month's 50/50 Club Draw

1st Simran Mtharu-Bailey - £35.60
2nd Mila Brewer - £4.45
3rd Kay Ferneyhough (Alicia & Issy) - £4.45

Thank you.

Child Death Prevention Newsletter

Staffordshire
Safeguarding
Children Board

This newsletter is designed to raise awareness of the work of the Stoke-on-Trent and Staffordshire Child Death Overview Panel (CDOP) and to bring news on our ongoing campaigns

Button Batteries Be aware!

Button batteries power everyday objects like car key fobs, remotes and children's toys. But did you know that if they are swallowed they can badly injure, or even kill a child?

Batteries react with saliva and if a child swallows a button battery it can burn holes and cause internal bleeding, or even death.

Tragically, a young child in Staffordshire has recently died from ingesting a button battery.

How to keep children safe

- Store spare batteries securely, out of reach
- Know which toys /gadgets use button batteries, check your home
- Get rid of 'dead' button batteries immediately – they still have enough power to harm children
- Teach older children the dangers – why they shouldn't play with them or give them to younger children
- Place strong tape over the battery compartment on remote controls

**Be
aware!**

Symptoms may not be obvious.

Your child might be coughing, gagging or drooling, or pointing to their throat or tummy. Unclear or fluctuating symptoms mean it's important to be vigilant. Trust your instincts and act fast even if there are no symptoms.

If you think your child has swallowed a battery, take them straight to the nearest A&E department or call 999 for an ambulance
