## THIS WEEK IN FOCUS

Another super week of learning, it has been a privilege to pop in and watch the teachers in all classes deliver their maths lessons to the children. Some amazing explanations and mathematical language used by the children as well as written definitions and pictures too. It has been lovely to welcome Mr Baxter into both schools this week who came in for a visit, I'm sure we will be seeing more of him around school as the weeks race up to Christmas.

To maintain our beautiful villages where our schools are located can we please switch off our car engines whilst awaiting collection and think carefully where we park, not blocking any junctions or driveways of residents. Also we have noticed quite a lot of litter around the villages and fields, please take your litter home or bin it. The school councils are eager to start a litter picking/eco club to help care for our local area. Watch this space!

Thank you with helping ease the parking with the staggered finish- I think it is helping. Also to the parents awaiting the children in key stage 2 for being so patient. We have noticed some children climbing and hanging on the goal posts in the playground, please can you ask them not to as we would hate for them to fall, they are not allowed to do this in school time. Of course we encourage them to play whilst waiting for their siblings but just to take care.

**1 Corinthians 9:26-27**  
*Therefore I run in such a way, as not without aim; I box in such a way, as not beating the air; but I discipline my body and make it my slave, so that, after I have preached to others, I myself will not be disqualified*

## THIS WEEK IN FOCUS (Continued)

We look forward to next week where we will be doing lots of practise for our Harvest and Thanksgiving service, this will be on zoom look for the link on dojo. We are asking for donations for the local foodbank. (Thank you to those that have donated to the Church this week too!)

Unfortunately we cannot accept perishable goods or flowers this year as we won't be able to decorate the church as we have done for previous harvest festivals.

A few suggestions are:-

Tinned foods (ring pulls only please) - soup, baked beans, tomatoes, tinned fruit etc.

Dry Foods - cereal bars, cakes, chocolate bars, biscuits etc.

Rice, pasta, cereals, crackers, crisps.

Bottled water, toothpaste, toothbrushes, soap, shower gel, hand sanitiser, anti-bacterial cream/wipes, first aid supplies.

Please can all donations be handed in to school by **Friday 1<sup>st</sup> October.**

Thank you for your continued support, have a lovely weekend everyone.

*Mrs Jones*

## Awesome Acorns

*Our Awesome Acorns of the week this week are Ray Smith and Lewis Fern. Well done boys for being awesome!*

*What another fab week we've had! On Monday, we went for a walk in the woods to collect some leaves, cones and sticks and enjoyed making pictures for our Awesome Acorns display. On Tuesday, the children enjoyed their homework/curriculum time. On Wednesday, some children made cakes with Mrs Brinkley. On Thursday the children enjoyed going over to the field to play football and play on the play area and on Friday we worked well together on team building and board games. We are so proud of the children and their behaviour this week and how they have helped and supported each other. Well done!*

*Have a lovely weekend.*

*Mrs Slater, Mrs Jones, Mrs Brinkley and Mrs Storer.*

## ANYTHING ELSE YOU NEED TO KNOW

### NEXT WEEK'S LUNCHES

Monday	Pizza
Tuesday	Sausage & Mash
Wednesday	Roast Chicken
Thursday	Lasagne
Friday	Fish Fingers and Chips

(Lunches are subject to change due to delivery issues)

Today's session included some of the children using a bow saw - those that didn't get around to it this week will do so next week.

The children listened very carefully to the safety talk and those that tried it were very good 😊

The children went on a bug hunt, but prior to this they learnt about the worm.

There were lots of interesting facts, including that they use their skin to breathe, they help our environment - they are mother nature's composters, in an acre of land there can be 1 million worms and of course the fact that if a worm gets cut in half the part with a head grows another tail and lives.

Lots of wild play and team work, the rope swing was, as usual, very popular.

They climbed trees and generally had a fun time exploring their environment, using bug pots and magnifying glasses and were given the opportunity to take calculated risks and assess the consequences of their actions which is an important ethos of forest school.

# TFF... FOREST SCHOOL

We had a fantastic turnout on Tuesday for our PTA meet & greet plus playdate in the field. Free lollies were given out to all children who came to play, finished sports clubs or were at Awesome Acorns. We really took advantage of this fabulous sunshine and it was lovely to introduce ourselves to new parents in class 1. The PTA is absolutely thrilled to be adding lots of new names to the list of people who are willing to offer their help or time, no matter how small.

We totally understand that not everyone is available to actively participate at events or in the preparation of fundraising but you can help to raise money for our little school just by spending money elsewhere.

You can register for Easy Fundraising at -

<https://www.easyfundraising.org.uk/causes/allsaintsrangemore/>

Easyfundraising turns your everyday online shopping into free donations for the school. Just start your online shop at easyfundraising then shop as normal. There are 4000+ retailers to choose from.

Also every time you spend £10 at Byrkley Garden Centre, Rangemore you can ask for a Garden for Schools voucher. These can be handed into the school office and are then redeemed periodically for plants for the garden or pots. You must ask for these though, as they are not handed out automatically.

Thank you for your continued support.
