THIS WEEK IN FOCUS

What a great week of learning in our penultimate week.

Parents evenings went well at both schools and it was so lovely to share how the children are settling back into school life. Next week we look forward to our open mornings - spread the word to any reception starters for next year.

Well done to the children who attended the Dove Valley Tag Rugby tournament I heard you played really well and had a great time despite the result with great teamwork and encouragement from all!

Don't forget next **Friday 22nd and Monday 1st are Inset days** and we have our last celebration worship of the term next Thursday too - look on dojo for the link.

Have a great weekend all!

Mrs Jones

Awesome Acorns

Our Awesome Acorn of the week this week is Harry Fowler.

This week, as well as our normal activities in Acorns (peer play, jigsaws, play doh, Lego and board games, we have also enjoyed our curriculum/homework activities. We've practised our spelling words, had a mini 'sports day' (children enjoying various challenges with equipment and engaging team play) also made fresh fruit kebabs and enjoyed eating them at snack time!

Well done to all the children for again, working so well together and having lots of fun. Keep up the superb behaviour and teamwork, we are so proud!

Have a lovely weekend.

Mrs Slater and the Awesome Acorns team.

Well what a lovely end to this term's Forest School sessions. We have had a very lively bunch this term and the children managed to cram such a lot into their final day. 😊

There were a couple of children who had to cut their wood slices and then we set to work painting them. Prior to this Lily Tipper very kindly brought in a honey comb which she showed the children. It is truly a fascinating thing to see.

The children then went in search of a stick in order to paint too, prior to making them into a wand? a sword? a dream catcher? whatever the children's imagination lead them to. Lily showed some examples and then off we went in search of feathers to decorate them!

How lucky were we?
We went into another part of Lily's beautiful garden where she keeps her hens, guinea fowl, and geese. The children had a fabulous time collecting the feathers they found in the grass. In addition, we managed to find time to visit her two pet pigs who LOVED the apples the children threw to them.

Back to camp and the children finished their cookie painting and decorated their sticks beautifully. Time for drinks, a snack and a chat about what the children liked in particular. Whilst some mentioned particular tasks, the overriding comment was **EVERYTHING!!** Good to know.

'Be proud of yourselves' and 'don't worry about cold or rainy weather as you can still have fun' were the sentiments that the children took away with them.

We finished with their song that was the loudest yet, if that was possible and then back to school.

Special thanks to Lily Tipper and Mrs Wingfield for all their time and help.

I couldn't do it without you.

TFF... FOREST SCHOOL

We had a very productive PTA meeting this week and it was lovely to meet some new people. Preparation has started for Christmas already and although sadly it won't be a Christmas Fayre open to parents we will ensure it's lots of fun for the children and will be during school hours. Look out for the posters soon advertising Wreath Making Nights, these will take place in the church this year and are usually very popular evenings. Loads of fun, an amazing wreath at the end of it and a glass of mulled wine.

Today is the last day to pay for the Popcorn, PJ's & Movie Night. The children love this event as getting into their PJs and settling down to watch a film with friends and their teddy at school is very exciting.

Next Wednesday is the last day to buy your entries for the 50/50 Club.

Thank you for your continued support.
