What another great week of learning. It has been brilliant to see the children taking part in extra curricular activities such as choir and tag rugby. Next week we look forward to our virtual Christingle service, don't forget to bring your orange and sweets in on Thursday ready to make during the service on Friday! The link will be on dojo next week. Have a great weekend all.

STAFF CHANGES—NEEDWOOD

As you know after Christmas we have some staff changes- our New Headteacher Mr Baxter will be joining us. This is not the only staff change, we are sad to see Mrs Edden move onto a new school. She has been an amazing member of our team and will be sadly missed, let's make her last few weeks with us amazing and give her some fabulous memories to go with. This means that Mrs Perkins will be upping her days in class 1 and will be the full time class teacher from January. We are very excited to have Mrs Perkins be with us full time and I'm sure the children will be too!

WRAPAROUND

Here is your weekly information about wrap around at Needwood. Your child will bring home a template to design a logo and a name for the breakfast and after school club - please hand these in by next Thursday (25th November). The children have been awesome, supported each other and worked very well together this week.

We have got lots of 'crafty' Christmas activities planned for your children on a Monday, on Tuesday there is pop dance in school, Wednesday we are going to do some den building, Thursday is Tag Rugby and Friday is Tech night.

We are in the process of setting up a dojo account for the club once we have got a name - watch this space.

If you need any more provision, other than what you have already booked, or you need to change any days/times, please contact the office until dojo is up and running and we will be happy to sort and book your child in. Thank you again for your continued support.

Have a lovely weekend.

The Wraparound (soon to be named) Team

Awesome Acorns

Our Awesome Acorn of the week for last week was Jack Booth and this week is Haadi Murtaza-Sofi. Well done boys.

Last week the children were busy making poppies and creating firework and Remembrance day pictures (these are proudly displayed in the school hall)

This week the children have worked very well together in their bubbles doing team construction games, mindfulness colouring and Christmas activities and have also managed to play outside before it got too dark!

Hopefully it won't be too long before the children can be altogether again and be involved in team games. Well done and thank you to all the children for being so awesome, we are so proud and thank you to all the parents for your continued support.

Have a lovely weekend.
