Thank you for another great week everyone. The children have been working hard and starting to get festive with nativity songs and practise, we have also had a delivery of costumes at Rangemore from the PTA, thank you so much all!

Our Christingle services were beautiful and the children loved making their Christingles - the donation pages to the Children's Society are now live on the schools' dojo pages if you would like to donate to this wonderful charity.

Have a lovely weekend all.

Here is your weekly blog from your wraparound care team at Needwood. We have had a very good response so far to our 'name and logo' competition but have decided to extend the deadline a little further to Wednesday 1 December for any last minute ideas. Thank you to everyone so far.

We have had Christmassy craft time this week where the children made Christmas cards (cutting and gluing is always popular). Also tag rugby and pop dance were enjoyed on Tuesday and Thursday.

We have taken advantage of (probably) the last of the suitable weather and spent time outside in the fresh air playing football and having a go at the netball goal. Our indoor winter games are starting to be used with the 'Wii' being very much sought after. We have limited games so if anyone has any suitable unused games to donate we would be most grateful.

We do have an extensive selection of board games which the children enjoy as the nights draw in.

Coming up :- A Christmas movie night - Monday 6th December - details next week.

Please continue at this time to contact the office for provision requirements, we would love for you to come and join us in our activities.

Have a good weekend from your wraparound care team.

Luke 2:1-7 - The Birth of Jesus

¹ At that time a decree issued from Caesar Augustus that there be a census of the whole Empire.

² This census was the first under Quirinius the governor of Syria.

³ Everyone went to be registered, each to their own town.

Awesome Acorns

Our Awesome Acorn of the week this week is William Robinson.

What another super week we've had!

We are out of bubbles this week and the children have enjoyed working together again to create Christmas pictures and have now started their on-going Christmas activities. They have also been involved in team building games, mindfulness colouring, and have played very well together throughout the week.

Each week, we see children being supportive, helpful, caring and kind. Thank you Awesome Acorns for being so awesome, we are so proud of you all.

We would also like to thank you, our wonderful parents, for your on-going kind comments and your continued communication and support.

Have a lovely weekend.

Mrs Slater and the Awesome Acorns team.
