Badges: ★ (Green Star) ★ **William C (Silver Star)** 🏆 **Charlotte A (Bronze Cup)**

Headteacher: **Polly B, Martha O, Henrietta W, Preston G**

Dear Parents,

I would like to say 'well done' to all of our children for the lovely Father's Day services today, and thank you to the parents and family members who were able to join us.

As we approach the end of the school year, I would like to remind all of our families of our expectations for uniform and PE kit. We have noticed some children are starting to deviate from our uniform expectations regularly, so we will be sending out our document next week to give families time before September if new uniform is needed. Some of the main things we have noticed are that some children are not wearing black school shoes, and also children are coming on PE days in a variety of colours. From September all children must be in the correct uniform please, so look out for the uniform expectations when they are sent out.

I am really looking forward to the children from both of our schools coming together in two weeks' time for our first 'Forest Fest'. There will be challenge and adventure lessons throughout the day, time for the children to meet and work with their pen pals, and music and games for the children to enjoy. We will remind you of the key information for the day nearer the time.

Have a great weekend,

Best wishes

Mr Baxter

DIARY - ALL SAINTS

24.6.22	DRESS DOWN DAY £1 DONATION
29.6.22	MOVING UP MORNING
1.7.22	FOREST FEST
4.7.22	ROSLISTON FORESTRY CENTRE TRIP C2

On Friday 24th June it is dress down day at both schools for a suggested donation of £1.

The theme will be the Commonwealth Games.

Either dress in -

A Colour OR
As A Country OR
In a Sports Kit.

Thank you.

Awesome Acorns

We have had another lovely week in Acorns.

The children have been busy doing Fathers' day activities and enjoyed their time outside in the lovely sunshine. We are very proud, as always, of the behaviour of the children and have enjoyed seeing the teamwork and kindness shown towards each other throughout the week. Keep it up Acorns, you are all awesome!

Thank you for the Dojo's for provision for your children. We hope they have a lovely time with us during Acorns. Please let me know if they would like to do more (or less!) activities, as it is their before and after school club so would like their input too! Please Dojo me with any ideas they may have.

Thank you for your continued support.

Have a lovely weekend.

Week two and we had wonderful, warm, sunny weather. This week was den building and they were all very anxious to get going.

Firstly, they all reformed the fire circle with rocks and stones and a fine job they made of it too. Then they learned about Wood Lice.

How very important to our environment there were. Although they may look like insects they are more related to shrimps and crabs. They are a subgroup of isopod crustaceans – they have no backbone and have seven pairs of jointed legs.

There are about 3,500 of different species across the world – although I may have got a bit carried away and said 35,000!! 35-40 different species can be found in the British Isles.

One of their most important roles is to remove harmful heavy metals from the earth such as mercury, cadmium and lead. They have the amazing ability to store high concentrations of metals without being poisoned.

Then on to the fun part – den building. They had an amazing time and worked together in three groups – chosen by themselves.

Great constructions and ALL past the water test where they get in their tents and I throw a small bucket of water onto the den.

Excellent team work and independent thinking and creativity.

At National Online Safety, we believe in empowering parents, carers and trusted adults with the information to hold an informed conversation about online safety with their children, should they feel it is needed. This guide focuses on one of many apps which we believe trusted adults should be aware of. Please visit www.nationalonlinesafety.com for further guides, hints and tips for adults.

What Parents & Carers Need to Know about

TWITCH

Twitch is a livestreaming service which tends to focus on gaming. Users can publicly broadcast their gameplay and commentary online for other users to watch. It's a community-driven platform where viewers can support their favourite streamers' channels through PayPal donations, 'Bits' and more. Each streamer or group creates their own community for fans to interact with each other. Twitch has more than 15 million daily active users and includes non-gaming topics such as music, cooking and art. Anyone can create a channel to livestream or watch videos.

WHAT ARE THE RISKS?

UNCENSORED STREAMS

Uncensored content obviously carries a greater risk of inappropriate language and behaviour (streamers can, however, list their broadcast as unsuitable for children). Twitch has strict rules for streamers to follow, but requires viewers to report any streams which breach these guidelines. Each livestream is accompanied by a text chat which is the streamer's responsibility to moderate.

INAPPROPRIATE CONTENT

Most people are already aware that some video games feature adult content such as violence, sexual content, profanity and so on. Twitch does prevent certain games from being streamed on the platform, but most are still allowed. It is relatively simple, then, for a child to find livestreams of games that aren't suitable for them – including horror games.

HIDDEN COSTS

Twitch is free to use because it's supported by advertisers. Removing the ads requires a subscription to Twitch Turbo – or the Twitch Prime package (free for anyone with an Amazon Prime account), which blocks the ads and offers additional goodies such as bonus games. Streamers earn most of their income by asking users for direct donations or gifts of the virtual currency Twitch Bits.

CONTACT FROM STRANGERS

As well as streamers talking directly to their audience, Twitch enables viewers to use text chat to speak to the person they're watching. It's a social platform which also allows viewers to interact with each other via text while they are watching livestreams – including exchanging private messages. This raises the possibility of a child being approached and messaged online by total strangers.

WEBCAM SHARING

It's common for streamers to use their live webcam footage. This allows better interaction with their viewers, but also adds risk: the stream might include sponsored content or product placement that isn't child friendly. Using a webcam in livestreams increases the chance of malicious viewers finding out where the streamer lives and provides bullies with visual reactions to their hurtful behaviour.

PRIVATE CHAT ROOMS

Twitch encourages streamers to create their own communities, which extend beyond its platform. Many create a public Discord group, for example, for viewers to join and communicate with each other. Discord is a completely separate entity to Twitch and offers a higher risk of predators, grooming and cyberbullying if your child gets involved in the voice or video chat with strangers.

Advice for Parents & Carers

EXPLORE IT YOURSELF

Twitch doesn't have any parental controls, but it is possible to block troublesome users if it becomes necessary. The best solution is to watch some Twitch channels by yourself or with your child to find some that are suitable. Watching some streams by yourself is also a good route to understanding the sort of content that your child would be consuming regularly on Twitch.

WATCH WHAT THEY WATCH

Twitch does have a lot of child-friendly content; some streamers use a 'family friendly' tag to highlight material that's suitable for children. However, anyone can use this tag – including users who (accidentally or otherwise) stream games with less appropriate adult themes. The best way to counter this is to view different streams and follow suitable channels for your child to watch.

LEARN HOW TO BLOCK

'Security and Privacy' in Twitch's settings lets your child block messages from specific users. Teaching your child how this works will help them avoid online abuse. If they livestream, knowing how to block people in the chat also helps to prevent cyberbullying or harassment. Evading online interaction is impossible, of course, so talk to them in advance about boundaries and safe online communication.

LIMIT PAYMENT OPTIONS

Reduce the chance of accidental purchases by ensuring your bank card isn't saved on Twitch or the Amazon account that Twitch Prime could be linked to. Restricting access to your PayPal account is also wise if your child watches Twitch on the device you use to make purchases. Explain to your child that they don't need to subscribe to channels to watch them and that donating or gifting 'Bits' is optional.

Meet Our Expert

Clare Godwin (a.k.a. Lunawolf) has worked as an editor and journalist in the gaming industry since 2015, providing websites with event coverage, reviews and gaming guides. She is the owner of Lunawolf Gaming and is currently working on various gaming-related projects including game development and writing non-fiction books.
