# LEADING LEARNING LINKS - The Best of the Best!

It is with a great deal of excitement and pleasure that we welcome our children, families and staff back to our new academic year 2016/2017. We do hope that you had a super summer and if you were working, that you managed to have some family time. I am sure that the children are well rested and ready for a fresh start with a real drive to enter our new academic year with excellent learning attitudes.

Staff, children and families have begun the new term with excellent, driven attitudes and a wonderful friendly, happy and sunny approach. Welcome walks around our schools have seen that learning has begun in an exciting way and routines are already re-embedded and new children have settled brilliantly. Staff have planned an excellent and demanding curriculum linked through fun themes to progress children well and we are ready to continue to nurture and support children's social, emotional and spiritual needs effectively. We are so excited about the academic year of 2016 – 2017 and are sure that it will be a fantastic year.

Whilst school leaders know the grading from All Saints' inspection in July and have received the report, it has still not been released by OFSTED for the public as nothing is processed across the summer. We expect/hope to be able to share the report with you next Friday and are looking forward to sharing our schools' achievements.

We continue to be driven to ensure we have outstanding standards across our Federation and this jigsaw picture provides the headlines for our families to see what our priorities are this year which are underpinned by action plans approved by Governors.

We have sent home, via email this week, curriculum letters explaining what your children are learning this half term. We have also sent a new year reminder pack and we hope you find this information a useful reminder of all the key things you need to know. Please keep it in a handy place! We also include our privacy notice as it is a statutory expectation to send this out to you each year.

We would like to thank Mrs Taylor , Mr Taylor, our caretaker's mum, for donating a large amount of new equipment for the school playground play. It has added to the equipment we have fantastically, as at the end of the year it can get a little tired and, it also includes some new items we have not got! We are really lucky to have such community spirit, even extending to our staff families!

As always, if you have any questions or worries at any time throughout the year please do not hesitate to communicate with us, we look forward to a doubly outstanding year!

Hope you have a lovely weekend **Mrs Gethin.**

### **HAPPY EID-AL-ADHA,**

We would like to wish a Happy Eid-al-Adha to all of our Muslim families across the Federation this weekend. This celebration commemorates Ibrahim's (Abraham's) willingness to sacrifice his son to God. This festival also marks the end of the Hajj pilgrimage to Mecca. At this time our families, along with many Muslims across the globe, will make a special effort to wear new clothes, attend a prayer service at a mosque and to listen to a sermon. They also

personally greet or send paper or electronic Eid cards to family members, friends and give gifts to children. It is a very special time where charity and important meals are a large part of the festival. Happy Eid-al-Adha,

### **NEW SCHOOL APP**

We frequently update our school website throughout the school year to bring you the latest school news, events, and important information. To make it even easier to access this information, we are pleased to announce the launch of a mobile and tablet app, which you can now download for free from the iOS and Google Play App Stores. To download the app, simply go to the respective app store and search for 'School News'. Once the app has been downloaded, simply enter our school postcode to subscribe to updates and opt into push notifications, allowing you to receive instant updates on important news, such as school closures, exams and sporting events. - Feel better connected. With galleries, blog posts and news items, our new School News App will help bring you even closer to what's happening at our school.
- Import events into your device calendar. The new School News App allows you to import events straight into your device calendar so you can check for clashes and set reminders for upcoming important events.
- Contact the school directly through the App. Need to get in touch? You'll find all the details you'll need in the App.
