Dear Parent,

As you are probably aware, children have the opportunity to learn to play the electronic keyboard during the school day. Excel Music Schools Ltd has been providing this service at Needwood C of E Primary School for a number of years and it has always proven to be extremely popular.

The cost of these lessons is £30-00 per half term and each lesson lasts for 20 minutes. This is based on an average half term length of 6 weeks although some may be slightly longer or shorter than this. An Electronic Keyboard will be available for use in school. Rental and purchase schemes for all instruments are also available. Information on rentals is available from us directly. Once started, lessons are ongoing and should your child not wish to continue lessons then this must be confirmed to us by a parent in writing before the first day of the new half term otherwise the full fee for that half term is due. Please note that keyboard lessons are available to children in year 1 & above but all other instruments are from year 3 upwards. Many children have taken exams offered by ABRSM with several working towards grades 3, 4 and 5. If you would like to start having lessons please fill in the pro-forma below and return with full payment to the school office as soon as possible. **Please note that lessons will commence in September 2018.**

PLEASE NOTE THAT EXISTING STUDENTS DO NOT NEED TO FILL IN THE REGISTRATION FORM

Yours sincerely,

Stephen Mansfield - Director of Excel Music Schools Ltd.
